

Saint David School Learning Support Program Mission Statement

God created all children but each child is very unique. They all have different appearances, likes, dislikes, talents, and also struggles. Some children struggle with social situations, some with sports, but a significant number of children have difficulties learning in the traditional methods that are used in most of the classrooms in our country. These children need to have a smaller environment in which their instructional plan can be more individualized in order for them to succeed in the school environment. For this reason Monsignor Bolger along with Sister Angela have decided to open a learning support classroom for grades 1 through 4 at St. David Parish to better service the needs of all of the children in the parish. Here they will receive more one on one time with a Special Education Certified teacher and teacher aides and will have the curriculum modified to fit each child's individual learning needs in the subject areas of reading and/or mathematics. The goal of this class is to provide students with the tools to not only be successful in the learning support classroom, but to hopefully return to the primary classroom for all subjects.

Saint Vincent De Paul Society Saint David Conference Mission Statement

Visiting the poor, lonely, and needy within St. David parish boundaries, in order to provide emergency financial assistance, food, referrals, thrift store vouchers, and friendly moral & spiritual comfort. Additional services include: managing the parish benefit collections, maintaining referral/entitlement files, and the Sunday Mass Rider Program.
